**Recreational Activities**

Aloha! We are pleased to provide all IMS 2007 attendees and their guests with a wide variety of tours and other activities for your enjoyment during your stay in Hawaii.

We have retained the services of MC&A, Inc., the leading destination management company in Hawaii. They will handle all aspects of the activity registration and logistics on the day of your event. We encourage participants to register before the conference via website (www.mcahawaii.com/grps07/ims2007hi), as we believe it is the most convenient option. MC&A may also be reached via email (ims2007hawaii@mcahawaii.com) or via fax at 1-808-589-5583.

Since Hawaii has so much more to see and do than what we have captured in the featured tours described here, additional tours and customized outer-island vacation packages can also be arranged at the above website.

The preconference registration deadline for all activities is 15 May, but for those that miss this deadline, a desk will be set up at the Hawaii Convention Center and both Hospitality Suites during the convention. However, we strongly encourage advance registration, due to the limited number of openings for some tours. There may be slight changes in tour times, so please check the

website above or the Hospitality Suite for the most up-to-date information.

Unless otherwise specified, prices include round-trip transportation from the Hilton Hawaiian Village Tapa Tower bus depot and the Sheraton Waikiki bus depot.
